

COURSE DELIVERY POLICY AND PROCEDURE

Our Course Delivery Policy outlines AAN's commitment to providing a high-quality, learner-centered education experience across all programmes. It ensures that courses are designed and delivered with consistency, inclusivity, and accountability, while offering learners access to diverse resources, academic and administrative support, and flexible pathways to success. The policy applies to all learners, academic staff, programme coordinators, and support teams, and aligns delivery practices with institutional values and quality standards.

COURSE DELIVERY POLICY AND PROCEDURE

This policy is reviewed periodically and any updates will be published on this website, effective upon posting. For significant changes, we may also notify you directly or highlight the update prominently.

This policy outlines the commitment to ensuring a high-quality learning experience for learners enrolled in various programmes. The purpose is to promote consistency and excellence in the delivery of all programmes, ensuring learners have access to diverse learning resources, adequate academic and administrative support, appropriate assessments, and a learner-centered approach throughout their learning journey.

The Course Delivery Policy and Procedure applies to the following stakeholders involved in the design, delivery, and support of learning programmes:

- Learners
- Academic Staff
- Program Coordinators
- Supporting Staff

1. Who we Are

2. Purpose And Scope

2.1. The purpose of the Course Delivery Policy and Procedure is to:

- **2.1.1. Enhance learner Learning Experiences:** Provide a clear framework to ensure that courses are designed and delivered in ways that prioritize learner engagement, understanding, and success.
- **2.1.2. Support Academic Achievement:** Establish a system that empowers learners to meet their academic and professional goals through accessible, well-structured, and high-quality learning experiences.
- **2.1.3. Promote Equity and Inclusivity:** Ensure that all learners, regardless of their background or mode of study, receive equitable access to learning resources, support services, and opportunities to succeed.
- **2.1.4. Foster Lifelong Learning:** Create a foundation for learners to develop skills and knowledge that support their personal and professional growth beyond the course.
- **2.1.5. Maintain Trust and Accountability:** Ensure learners receive a consistent, reliable, and supportive experience that aligns with institutional values and regulatory standards.

2.2. This policy focuses on the needs and experiences of learners enrolled in learning programmes by covering:

- **2.2.1. Programmes:** All courses and programmes available to learners, including online, hybrid, and in-person learning options.
- **2.2.2. Learner Support Activities:** Access to academic resources, including course materials, guidance from facilitators, and peer support, and the availability of technical and administrative support to ensure smooth learning experiences.
- **2.2.3. Learning Outcomes:** Alignment of course delivery with clearly defined and achievable learning outcomes that directly benefit learners.
- **2.2.4. Stakeholders Directly Supporting learners:** Facilitators, tutors, and administrative staff committed to providing learners with personalized, timely, and effective support.

3. Principles

3.1. The process is guided by the following principles: learner-Centered Learning, Equity and Inclusivity, Quality and Consistency, Access to Support, Accountability and Transparency, Continuous Improvement, Engagement and Participation, Flexibility and Adaptability, Collaborative Learning and Respect for Diversity.

4. Definitions

- **Equity and Inclusivity:** Principles that ensure that all learners, regardless of their background, ability, or mode of study, have equal access to learning resources, support services, and opportunities to succeed in their programs.
- **Formative Assessment:** Ongoing assessments used to monitor learner progress and provide feedback during the learning process, helping learners identify strengths and areas for improvement before the final evaluation.

- **Interactive Learning:** A learning method that encourages active learner participation through discussions, activities, group work, and practical applications to enhance engagement and deeper understanding.
- **Learner Engagement:** The involvement of learners in the learning process, including participation in activities, discussions, assessments, and interactions with facilitators and peers, aimed at enhancing their overall learning experience.
- **Learner Support Services:** A range of services offered to assist learners throughout their learning journey, including academic advising, tutoring, counseling, technical support, and career development services.
- **Lifelong Learning:** A continuous, voluntary, and self-motivated pursuit of knowledge and skills that occurs across all stages of life. It encompasses formal, non-formal, and informal learning in various contexts, integrating a life-wide, life-deep, and lifelong perspective.
- **Summative Assessment:** Final evaluations that measure learner learning at the end of a module or programme to determine if learning outcomes have been met and assess overall learner performance.

5. Enhance Learning Experiences

5.1. Learner-Centered Programme Design: Ensure that course design prioritizes learner engagement by incorporating interactive and practical learning methods. Content should progressively build knowledge from basic to advanced concepts.
